Their intellectual contributions in the years prior to their Loyola hiring are included in Table 2-1 and Table 10-1 in support of their 5-year rolling AQ faculty status, but these contributions are not included in this supplement since its purpose is to document the specific academic journal article output of the College of Business. This explains the discrepancy in academic journal counts for Jeffrey Krug and Len Trevino between the Table 2-1 summary and this supplement to Table 2-1.
